### **Level 1 Appeal**

If an applicant disagrees with the result of the assessment or the content of the result letter(s), an applicant may launch a Level 1 Appeal from the ACS application portal. An applicant may request only one single Level 1 Appeal. An applicant may provide new evidence with their Level 1 Appeal, if relevant to the outcome.

The purpose of a Level 1 Appeal is to ensure that ACS completed the assessment in line with required policies and regulation at the time of application and offered adequate procedural fairness.

Upon receipt of a Level 1 Appeal, ACS will allocate a Senior ACS officer who was NOT involved in the processing of the original application. The officer will review the Level 1 Appeal request including assessment evidence, administrative notes, findings and any new evidence presented.

### **Time Limit for Level 1 Appeal**

An applicant must lodge a Level 1 Appeal within 60 days of the result letter(s) date with all additional documentation or new evidence included. Level 1 Appeals may not be lodged after 60 days of the original outcome.

### **Outcome of Level 1 Appeal**

ACS will release a written notice of the Level 1 Appeal outcome to the applicant within 30 days of receiving the Level 1 Appeal.

- If the Level 1 Appeal concludes the application was incorrectly assessed, ACS will fully refund the Level 1 Appeal fee.
- If the Level 1 Appeal outcome agrees with original assessment, ACS will NOT refund the Level 1 Appeal fee.
- If any additional documentation or new evidence submitted with the Level 1 Appeal changes the assessment outcome, ACS reserves the right to NOT refund the Level 1 Appeal fee.
